

Hearing clinic

Louisa Martindale Building
Royal Sussex County Hospital

Sometimes I go to the Hearing Clinic.

My hearing is checked.

**They will look at my hearing aids
(if I have them).**

When I arrive there is someone at the desk.

They say "Have a seat in the waiting room".

Then I will go to the Hearing Clinic room.

**Sam, Tania, Antonia, Melina or Monica,
may be there.
I like to see them.**

**There is a special torch.
This is called an Otoscope.**

**They will look in my ears.
There will be no pain.**

I will listen to sounds/beeps.

I might look at some objects.

**They will say “well done” or “good!”.
This will make me happy.**

It is good to check my hearing.

When we have finished it is time to go.

I will see them another time.
