### Reminder: How we contact you about KnowledgeShare

There are several regular communications your team will receive from us, in addition to the automated emails sent by the system (no Christmas cards unfortunately!).

Here's an outline of what we send and who will receive them:

- System notices and updates – all LKS staff user accounts get these
- Statistical reports - your named LKS Administrator and/or other staff on request
- Licence renewals - your service manager or chosen licence contact
- This newsletter - any LKS staff who have opted in.

If you would like to check or update who receives what in your team, drop us a line at:
