

Your Journey to the Children's Centre

Welcome to Worthing Hospital. You can enter the Children's Centre through the main entrance or directly through this side entrance off Homefield Road.

As you approach the centre, you will see the entrance.

Go through the doors Welcome to the Children's Centre!

We have lots of fun art and pictures dotted around.

You can sit in the waiting room or play in the beach hut.

You will be weighed and measured by one of our nursing team.

Then you will go back to the waiting room.

When you get called to your appointment, you will go to one of our clinic rooms.

You will meet one of our clinicians, who will talk to you and your parents or carers.
