

Sussex Integrated Trainee Pharmacist Programme Wednesday 13 August 2025 – 08:30 - 17:00

Session 1: Programme Introduction Preparation for Cross Sectoral Experience Intro to Supervised Learning Events with focus on Case-based Discussions

Hosted by University Hospitals Sussex NHS Foundation Trust

All sessions during the day will be held in Room 7a on Level 11C within the Louisa Martindale Building (LMB) at the Royal Sussex County Hospital, Easter Road, Brighton, BN2 5BE.

The Education Centre can be easily accessed from the main reception. Please access L11 via the C lifts, see the attached map for more information: [RSCH-Map-2024-Facing-North-scaled.jpg \(2560×1810\)](#)

Please click on the attached link that provides further information on travel directions, public transport, site and parking maps. [How to get here - University Hospitals Sussex NHS Foundation Trust](#)

There is a Peabody's café on the ground floor of the LMB to purchase refreshments which is open at 07:00 and a WHSmith with M&S opposite the café which also opens at 07:00. There is a large seating area between the café and WHSmith where you are welcome to eat your own lunch, however, please note there are no facilities to heat up your meal in this area.

Target audience

This is Session One of a once-monthly training events for secondary care trainee pharmacists working within Sussex and parts of Surrey **and** community and primary care trainee pharmacists undertaking a short duration cross-sector placement or a split-sector programme within secondary care. Through this programme, we aim to promote a culture of multi-sectoral working to support the safe transfer of medicines across primary, community and secondary care.

The pre-work that is required for the relevant session is included within the programme. It is expected that this is completed prior to attending, in order that attendees gain the most benefit from the workshops within each session.

Preparation for the Day

1. Confirm with your Education Lead/Designated Supervisor where you will undertake the **in person training event** and ensure this has been arranged and agreed upon in advance prior to the study day.
2. Please download the 'BNF' and 'eolas/microguide' apps onto your electronic devices and have ready access to your organisation's guidelines and procedures relevant to the sessions' topics. These may be useful for the discussions around session topics scheduled on the day.
3. Complete all recommended pre-reading/work. it is estimated this will take less than 3 hours.

On the Day

- We expect TPs to be fully engaged with each session for a more interactive and productive experience and participants can learn from their peers.
- Please wear your organisation ID badges to aid the facilitators with the workshops you will be participating in.

Evaluations of Each Session

Your feedback is highly valued for learning and development of the programme. Please allow adequate time and thought when completing evaluations at the end of each session and use the appropriate survey links to evaluate each session.

Whom to contact if you had booked to join the event day but are unable to attend

Each training event is hosted by a different organisation. If you are expected to attend 13th August 2025 but subsequently become unavailable please contact Mairead O'Malley, Clinical Pharmacy Lead University Hospitals Sussex, (Mairead.o'malley@nhs.net) as well as your Education Lead/DS.
