

Sussex Pharmacy Conference 2026 – Shaping our Future

Saturday, 16 May 2026

Falmer Campus, University of Brighton | 09.30 - 16.30

Join us for the Sussex Pharmacy Conference 2026 – Shaping Our Future, an inspiring event showcasing the latest advancements in medicines optimisation and pharmacy practice, including leadership, research, digital innovations, expanding pharmacy roles, and adherence and polypharmacy.

This conference is a hub for professional growth, networking, and knowledge-sharing, bringing together pharmacy professionals committed to excellence across Sussex.

Be part of a community shaping the future of pharmacy through continuous improvement, collaboration, and groundbreaking innovation.

This event will include:

- David Webb, Chief Pharmaceutical Officer for England – Keynote speaker
- Panel discussion
- Interactive workshops
- Networking opportunities
- Poster zone – showcasing projects & award for best poster
- Individual and team awards – presented by David Webb
- Free lunch and refreshments
- CPD certificate for all attendees

This conference is presented in collaboration with the Sussex Institute of Medicines Education and Research.
